NSSE 2013 Major Field Report, Part I
Within-Institution Comparisons

Comparing your students' responses across groups of related majors within your institution

Note:

The Major Field Report was formatted for printing. When viewing on screen in Excel, some content may appear truncated or oddly formatted. This is normal. Increasing the zoom level or viewing the report in Print Preview will improve on-screen display.

About Your Major Field Report, Part I

NSSE data serve to identify institutional strengths and weaknesses in reference to selected comparison institutions, yet institution-level comparisons may not capture important variation in student engagement that can be found within key sub-populations such as major. NSSE urges institutions to "look within," calling attention to the need to examine variation in the student experience at your institution. This report provides an overview of your students' responses by groups of related majors.

NSSE results included in MFR, Part I

- Engagement Indicators
- High-Impact Practices
- Frequency Distributions
- Item Summary Statistics
- Respondent Profile

Major Categories

Self-reported majors (first major given, if two were reported) were identified from the survey. Your institution had the option to customize how these were grouped, using up to ten related-major categories. Institutions choosing not to customize their major categories receive NSSE's ten major field categories. The majors used in this report are listed on page 3.

Sample

This report is based on information from all randomly selected or census-administered students for your institution. Targeted and locally administered oversamples and other non-randomly selected students are not included.

Class

Results are presented separately by institution-reported class level. First-year students' majors may include undeclared but intended majors and much of the first-year experience may take place outside of the major field. As a result, first-year results should be interpreted with caution.

Technical Requirements

Major categories with fewer than 20 respondents in a given class are not reported (columns are blank). Although 20 is a minimum requirement, keep in mind that any statistical result requires a sufficient number of respondents per category to produce a reliable estimate. Due to the disaggregation of results by student-reported major, the Major Field Report results are unweighted.

Report Sections

Engagement Indicators (pp. 4-5)	Results on NSSE's ten Engagement Indicators (EIs) organized into four themes adapted from the former Benchmarks of Effective Educational Practice. See your <i>Engagement Indicators</i> report for more details.
High-Impact Practices (p. 6)	Results on student participation in six High-Impact Practices (HIPs). See your <i>High-Impact Practices</i> report for more details.
Frequency Distributions (pp. 7-40)	Response frequencies by major category for all survey items except demographics.
Item Summary Statistics (pp. 41-46)	Number of respondents, mean and standard deviation by major category for all survey items except demographics.
Respondent Profile (pp. 47-60)	Response frequencies for all demographic questions for your institution by major category.

NSSE 2013 Major Field Report, Part I

Composition of Major-field Groups

NSSEville State University

This page documents how your *NSSE 2013 Major Field Report* categories were selected and what majors were included in each category. Students' self-reported majors (first major if two were reported) were assigned to a standard list of 139 majors. Institutions had the option to customize how these were grouped, using up to ten related-major categories. Institutions choosing not to customize receive NSSE's ten standard categories. The mapping of the 139 majors for your report is given below.

Date Confirmed: 6/28/2013

Selection Method: CUSTOM CATEGORIES - Institution-selected

Arts (First-year N=38, Senior N=46)

Architecture; Art history; Arts, fine and applied; Music; Other fine and performing arts; Theater or drama

Humanities (First-year N=29, Senior N=53)

English (language and literature); French (language and literature); General studies; History; Humanities (general); Liberal arts and sciences; Other humanities; Other language and literature; Philosophy; Religion; Spanish (language and literature)

Soc Sci (First-year N=84, Senior N=113)

Anthropology; Economics; Ethnic studies; Gender studies; Geography; International relations; Other social sciences; Political science; Psychology; Social sciences (general); Sociology

Sci & Math (First-year N=104, Senior N=99)

Agriculture; Astronomy; Atmospheric science (including meteorology); Biochemistry or biophysics; Biology (general); Biomedical science; Botany; Cell and molecular biology; Chemistry; Earth science (including geology); Environmental science/studies; Marine science; Mathematics; Microbiology or bacteriology; Natural resources and conservation; Natural science; Neuroscience; Other agriculture and natural resources; Other biological sciences; Other physical sciences; ; Physical sciences (general); Physics; Physiology and developmental biology; Statistics; Zoology

Bus (First-year N=150, Senior N=233)

Accounting; Business administration; Entrepreneurial studies; Family and consumer studies; Finance; Hospitality and tourism; International business; Management; Management information systems; Marketing; Organizational leadership or behavior; Other business; Parks, recreation, leisure studies, sports mgmt.; Professional studies (general); Supply chain and operations management

Comm (First-year N=32, Senior N=51)

Broadcast communications; Communications (general); Journalism; Mass communications and media studies; Other communications; Public relations and advertising; Speech; Telecommunications

Educ (First-year N=76, Senior N=138)

Business education; Early childhood education; Education (general); Elementary, middle school education; Mathematics education; Music or art education; Other education; Physical education; Secondary education; Social studies education; Special education

Engineering (First-year N=136, Senior N=145)

Aero-, astronautical engineering; Bioengineering; Biomedical engineering; Chemical engineering; Civil engineering; Computer engineering and technology; Computer information systems; Computer science; Electrical or electronic engineering; Engineering (general); Industrial engineering; Information technology; Materials engineering; Mechanical engineering; Other engineering; Petroleum engineering; Software engineering

Health Sci (First-year N=205, Senior N=312)

Allied health; Dentistry; Health science; Health technology (medical, dental, laboratory); Healthcare administration and policy; Kinesiology; Medicine; Nursing; Nutrition and dietetics; Occupational safety and health; Occupational therapy; Other health professions; Pharmacy; Physical therapy; Rehabilitation sciences; Speech therapy; Veterinary science

Crim J & Soc Wk (First-year N=67, Senior N=78)

Criminal justice; Criminology; Forensics; Justice administration; Law; Public safety and emergency management; Social work

Unassigned Majors (First-year N=54, Senior N=66)

Information systems; Military science; Multi, interdisciplinary studies; Network security and systems; Other computer science and technology; Other, not listed; Public administration, policy; Technical, vocational studies; Theological studies, ministry; Undecided, undeclared; Urban planning

Endnotes

- a. All results are unweighted. Major categories with fewer than 20 respondents in a given class are not reported (i.e., the column is blank). Means calculated from ordered response options (e.g., Very Often, Often, Sometimes, Never) assume equal intervals and should be interpreted with caution.
- b. A measure of the amount individual scores deviate from the mean of all the scores in the distribution.
- c. All results are unweighted. Major categories with fewer than 20 respondents in a given class are not reported (i.e., the column is blank).
- d. Percentage of students who responded "Done or in progress" except for service-learning which is the percentage who responded that at least "Some" courses included a community-based project.
- e. Items that make up the Engagement Indicators include the following two-letter prefixes: CL = Collaborative Learning, DD = Discussions with Diverse Others, ET = Effective Teaching Practices, HO = Higher-Order Learning, LS = Learning Strategies, QI = Quality of Interactions, QR = Quantitative Reasoning, RI = Reflective & Integrative Learning, SE = Supportive Environment, and SF = Student-Faculty Interaction.
- f. These are the values used to calculate means. For the majority of items, these values match the codes in the data file and codebook. For items estimating number of papers and hours per week, the values represent actual units using the midpoints of response option ranges and an estimate for unbounded options.
- g. Statistical comparison uses z-test to compare the percentage who responded "Done or in progress."
